ROSE'

GOOSE GAP

WINEMAKING

This Rose' was produced from a carefully assembled blend of Syrah, Pinot Gris, Merlot, Mourvedre and Grenache. All of the grapes harvested were treated as delicate aromatic white wines: whole cluster pressed upon receipt at the winery and fermented cool in stainless steel tanks. Yeast were selected to accentuate aromatic development and a supple, juicy texture on then palate. The completed blend aged on less for two months before bottling.

TASTING NOTE

The 2022 Revelation Rose' is a brilliant, stylish wine showing expressively perfumed aromas of red berries, lemon zest, white pepper and slate. The palate is bright, racy, and juicy with fresh, intense flavors of strawberry, watermelon, and kiwi that are supported by lively minerality and bright freshness.
